

# HISTORIC PRESERVATION AWARD NOMINATION FORM 2022

AAPS is now seeking nominations for the annual Preservation Awards ceremony. Preservation Awards are conferred on restored properties in Alameda with historic or architectural significance. Nominated buildings may range in age from the 19th century through the 1950s, including commercial properties, churches, governmental structures, single family homes and apartment houses. The awards showcase projects that preserve, restore or reuse historic property in a way that enhances its architectural character.

The awards debuted in 1998. Examples of award recipients are the U.S.S. Hornet aircraft carrier museum, the Historic Alameda High School, the Delanoy Building, the Masonic Temple, the Neptune Palace Hotel, the Alameda Theatre, among others. Many residential properties have also been honored, including homes which have removed stucco, asbestos or vinyl siding and restored the original siding, millwork and windows.
